After more than 30 years of delivering world class entertainment and over-night packages, our *Niagara Winter Concert Series* came to an end in 2014 thereby creating a very unique and exciting opportunity for a new promoter. Due to *popular demand*, *Niagara Falls Tours* has teamed up with the well-appointed **Attila Glatz Concert Productions** to make our annual winter festival truly the *Festival of Stars* Concert Series.

As in the past, we will continue to provide day-trips, overnight accommodation, meals and ticket packages for all of our U.S. and Canadian clients. We are also very excited in our role as an **Attila Glatz Concert Productions' Official Group Sales Ticket Agent**.
